List and document methodology and/or assumptions used in determining need for workload and cost increase.

List number, type, and step ranges of personnel required, including benefits.

List details of other impacted expenditure categories as shown in Section C.

List additional space requirements and cost associated with requirements of this bill.

(USE ATTACHMENTS IF NECESSARY.) There are no additional costs from this bill.

G. No Fiscal Impact or Will Not Require Additional Appropriations?

Specify why this bill will have no fiscal impact on your agency or institution.

Specify how you will reallocate workloads, resources, or funding sources to eliminate need for additional appropriations. (USE ATTACHMENTS IF NECESSARY.) Because this only allows for an exception to retirement code the exception causes no additional costs.

H. If Bill Carries It's Own Appropriation:

Indicate if the amount appropriated is adequate to meet the purposes of the bill.

Are there future additional costs anticipated beyond the appropriation in the bill?

The bill carries no appropriation.

I. Impact on Local Governments, Businesses, Associations, and Individuals

Specify requirements in the bill that drive the impact on local governments.

*Indicate costs or savings that are **DIRECT and MEASURABLE**. If direct and measurable data are not available, are there areas that potentially could have a fiscal impact? (USE ATTACHMENT IF NECESSARY.)*

Local School Districts/Charter Schools : This bill would benefit many rural school districts where a shortage of teacher candidates exists. The bill would allow the rehiring of a retiree who is filling a position which was not filled through the normal hiring process. (This bill is almost an identical duplicate of HB 260)

Businesses and Associations :

Individuals : This bill would allow some retirees to return to work sooner than prior to the bill if their positions goes unfilled.

Narrative Description of Bill : The bill allows teachers to return to work after retiring without penalty if the position goes unfilled through the normal hiring process.
